(Action comments)

Suggestions and Comments

1. Suggest good sources of communication/outlets and have them posted for the club to use. Frankspeech.com, CitizensUnited.org, AmericaProject.com
2. Utilize Independent Voter lists to reach out and possibly influence voters. (Some Precinct Captains do)
3. Newsletter: more letters to opinion page; factual topics about Covid 19; support/endorse only Republican candidates for City Council (Yes – topics on Covid and we already endorse on Republicans)
4. Volunteers: Better organization of activities, Republican voter registration (being done); and send stamped envelopes with the return address “RCSSC”.
5. Allow more time for guest speakers; allow more time for Q & A from the club to the speaker. Don't interrupt speakers. Limit speakers and Q & A to 10 min.
6. Find speakers who address conservative issues like the border, stimulus packages, masks, the pandemic and take all questions if possible.
7. Too much control is exhibited over members asking questions. Allow members/guests to exercise 1st Amendment Rights.
8. Thanks for taking members' input. (You're Welcome)
9. The Club should not be utilizing Coke products (Georgia issue and subsequent boycott).
10. Extend official meeting time to 2 p.m. with option to end earlier. Meetings too long.
11. Utilize Roberts' Rule of Order for meetings. (In Bylaws)
12. New attendee introduction: ask them why they came to the Club meeting.
13. How to implement ride sharing. Better parking (Parking is behind the building.)

17. Excellent food. Great crowd. Great meeting. (Thank You)
18. Demand recognition of Trump.
19. No evening meetings.
20. Get a microphone. (Purchased)
